

FISCAL NOTE

SB 2671 - HB 2559

February 6, 2002

SUMMARY OF BILL: Authorizes individuals with the Purple Heart license plate to park in spaces identified as reserved for the physically disabled.

ESTIMATED FISCAL IMPACT:

Decrease State Expenditures - Not Significant
Decrease State Revenues - Not Significant

Estimate assumes that individuals with Purple Heart license plates will no longer require and apply for temporary disabled placards for their vehicles resulting in a decrease in state expenditures for the cost of producing such placards and a decrease in revenues from the fee charged for such placards. These decreases are estimated to be not significant.

NOTE: According to the Department of Safety, those with Purple Heart license plates who are also disabled are currently entitled to a free permanent placard.
